

TAEKWONDO
HUMANITARIAN FOUNDATION

Humanitarian Charter

Member national associations (MNAs) and Continental Unions (CU) of the World Taekwondo Federation sign and commit to the respect of this Humanitarian Charter insofar as possible.

I, undersigned TROND BERG (first name and family name), President of the Norwegian Martial Arts Federation (MNA/CU), pledge to support the World Taekwondo Federation (WTF) and the Taekwondo Humanitarian Foundation (THF) in their activities to foster peace and development among vulnerable communities around the world through taekwondo and education programmes.

By signing this Humanitarian Charter, I pledge to raise awareness about and promote the WTF and THF humanitarian activities to all members of my national association/continental union.

In particular, I commit to promoting the Online Signature Campaign (<http://thfaid.org/support-our-campaign/>) as much as possible within my country to ensure the worldwide success of the campaign.

Here is my MNA/CU's preferred person of contact for all humanitarian matters:

Full Name: TROND SOVIK; Email: trond@kampsport.no

I understand that my federation's contribution to the promotion of these humanitarian activities and the Online Signature Campaign is crucial to demonstrate that the world taekwondo family stands out as a socially responsible and caring international community, viewing taekwondo not only as a physical activity but also a comprehensive life philosophy.

Signed in two copies.
